Welcome to GFWL Inaugural Summit!

We are honored and pleased to share this event with you. This summit is created to build awareness, fundraising, and invite young adults to consider exploring global thinking. We all need support, and we believe with exposure and experience, we can all have something to offer the world. With the help of GFWL and our global community, we can groom brilliant and positive World shakers.

OUR SPEAKERS

Shirley F. Smith is the founder and CEO of Grooming Future World Leaders Inc. She is the mom of three sons Ryan, Christopher, and Brandon, who brought home friends of all nations daily. She has become very sensitive to the needs of single parents youth and young adults (She became a single parent when her youngest son was less than 2 years old). She has volunteered over 20 years within non-profit organizations in California and Georgia either teaching or mentoring youth and young adults. Shirley is a graduate of Mississippi State University, valedictorian of her Faith Alive Bible College Class in Sacramento 2003, participant in the Marilyn Hickey International Women’s Mentoring Clinics in years 2000 & 2002, and licensed by Pastor Phillip Goudeaux as a Minister of the Gospel in 2002. She is a current student a Mercer University in Atlanta Georgia. As well, Shirley has sat under the teachings of Pastors Dick and Carla Bernal at Jubilee Christian Center in San Jose, Dr. Juanita Bynum Atlanta, Georgia, and currently a member of Daystar International (Atlanta, Ga.) where Pastors Johnny and Elizabeth Enlow are shepherds of Daystar International Atlanta.

Shirley has always had a dual professional life and non-profit volunteer life for over 20 years. She spent 15 years in marketing at Hewlett Packard Co. Many of those 15 years included a global focus in many areas as : strategic marketing, business planning, customer loyalty programs, business continuity, field sales compensation planning, and global communications strategy. She was a several times “HP Star” awards recipient.

***DIAMOND SPONSOR**

Theartris Ervin has spent most of her career in marketing at Silicon Valley high tech companies that include, Lockheed-Martin, NET, Hewlett-Packard, and Intel Corporation. Ms. Ervin studied communications, computer science and marketing at Stanford University. She has a Master’s Degree

from Stanford and a Bachelor's Degree from MSU. Currently, Ms. Ervin is Strategic Marketing Manager for the Intel business unit that plans, designs, and markets Intel's wireless and processor chip technologies for laptop PCs. This team is responsible for the core technologies that enable more than 80% of the world's laptop PCs

Dudley Burton is Chair of the environmental Studies department at Sac State. He has done research, teaching, and consulting in environmental issues for almost 40 years. He is particularly involved in studies of energy, technology and policy, water management issues, and the emerging environmentally sensitive economy. He is currently working with a Consortium called Cal Green at Work to address green employment opportunities.

Katherine Brown-Forvot was born in Oakland, California and grew up in Berkeley. I lived and worked in the Bay Area for much of my life. I have lived in Elk Grove and worked in Sacramento for the last 18 years. I hold a BA and MA in drama, an MBA, and an MFA in fiction. I am a Registered Nurse in practice for 35 years. I have worked as an RN in Neurological Intensive Care, Emergency Room, Spinal Cord Injury, Traumatic Brain Injury, and HIV. I have held positions as a staff nurse, nurse manager, nurse administrator and nurse educator. I have been an HIV RN for the past 15 years. My current position is HIV Program Manager at Kaiser South Sacramento. I have published poetry, fiction and journalism and presented at local, national and international conferences. I've also been a nurse volunteer for Katrina, and in Myanmar, Laos, Thailand, and Jamaica. I live with my husband, a journalist, a Great Dane, and two cats.

Sean Wells is a multi-disciplined media professional. He has worked in the visual effects and animation industry, currently employed by Lucasfilm Animation working on the animated series, "Star Wars: The Clone Wars." Join him in a talk about the opportunities available in the media industry.

Dr. Swanson is the Founder/ CEO of Sister's United Inc. a Non-Profit 501(c) 3 Corporation. The mission of Sister's United is to Uplift, Empower, Motivate, Educate, and Transform the lives of those who have suffered traumatic experiences that have drastically altered their lives.

Dr. Swanson is a credentialed Instructor in Adult Education with the Elk Grove Unified School District and a valued instructor at Rio Cosumnes Correctional Center empowering incarcerated men and women. The courses of study include Personal Development, a self-designed curriculum with a focus on transforming mindsets to embrace the unfathomable. Survival Impact, Co-teacher. Lastly Role Play/Scenario Building, a curriculum personally designed to give our journeys value.

A sought-after motivational speaker, instructor, life coach, developer of programs, head of a non-profit organization, and more importantly, Servant of the Most High God, Dr. Beverly L. Swanson is a New Jersey transplant, armed forces veteran, well traveled throughout the United States and Europe. She is a California Department of Corrections retired parole agent who takes pleasure in empowering her audience--particularly women and youth with the truth about *who* they are, and *whose* they are. Dr. Swanson uses *life transforming* principles that will propel them into their pre-ordained destiny. An Ordained Minister, Evangelist, and holds a Doctorate in Divinity.

The Painting

About the artist: Wanda Pépin is a professional internationally collected artist who paints primarily with a palette knife. She lives and works from her studio in Southern Oregon. She is primarily a self-taught artist with an extensive background in graphic arts and marketing. Although considered a self-taught artist, she really credits the many interactions she's had with other artists who have inspired, mentored and befriended her throughout her career.

Wanda has enjoyed art her whole life. She works as a professional artist doing commissioned paintings, gallery shows, private exhibitions, and selling her work online. Many of her paintings are held in private collections around the world, such as Cyprus, Australia, England, Canada, Mexico, etc.

Wanda, Grooming Future World Leaders Inc. thank you so much for your donation! We appreciate you and all that you have done for us!

Our Team of volunteers will be taking photos and videos throughout the day. If you should see a photo of yourself flash up on the projector screen during break, go see the GFWL table to request your pictures for a small donation.

We ask that everyone register online prior to leaving! We would like to keep you on our distribution list for next year's summit.

We will pass out surveys as well at the end of the program. Your feedback is very important! Also let us know if you would desire more information or would like to travel with us. There are three countries that we have on our short list to explore within the next 2 years: China, Japan, and South Africa

We invite sponsors for our annual summits!
